**SUPPLEMENTAL DECLARATION FOR PATENT  
APPLICATION UNDER 37 C.F.R. §1.67**

This Declaration is made by Dennis John Newland.

I, Dennis John Newland, hereby declare:

- I am a citizen of the United States of America and that my residence and mailing address is:  
2455 George Washington Way, #A111, Richland, WA 99352.

I believe that I am the original, first and sole inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled a "Self Guyed Structures" application number 09/895,763, the specification and any amendments of which has been provided to me at or prior to the time of signing this declaration.

I also believe that I am the original, first and sole inventor of the subject matter:

- United States Application Number 60/216,298, filed July 5, 2000.

I hereby claim the benefit under Title 35, United States Code §119 of US Provisional Application 60/216,298, filed July 5, 2000; there are no foreign applications having a filing date before that of the applications on which priority is claimed.

I hereby declare that the above entitled specifications and any amendments are intended to include disclosure or claims directed to, individually or in combination: embodiments of the invention which may encompass a device, apparatus, method, process, or business method; embodiments of the invention which may encompass permutations or combinations of any aspects of the invention; any

aspect of the invention conceived or developed as separate inventions; and any aspect of the invention independent of any initial context considered as preferred embodiments. I also authorize and support this application for patent protection in the United States, and for similar protection in foreign countries, each to be sought to the extent or breadth any owner desires or deems appropriate.

I hereby state that I have reviewed and understand the contents of the specification entitled "Self Guyed Structures", including any claims, and including any amendments provided to me at or prior to the time of signing this declaration.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, Section 1.56(a).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
